Interested in being a Distributor for CTI Abrasives—Selling Abrasives and Carbide Burr Tools?

CTI Carbide Tools for Industry Inc—CTI Abrasives and Tools has been a 3M Industrial Distributor for more than 30 years selling 3M abrasive products to the Aerospace and Metal working industry. CTI stocks locally a substantial inventory that serves our customer base assuring a local supply of 3M products. CTI remains a unique distributor for 3M because of our Store Front showroom allowing customers to have a hand on approach to solving their surface conditioning needs.

We remain an invested distributor for 3M and participate with 3M for a total metalworking solution for our customers..

Please call to discuss your special circumstances to warrant our latest Wholesale prices..
